To: Mr. Robert Brown,

On behalf of On Rock Community Services and the people that we serve I want to extend our gratitude to the Fritz Farm Youth Gardening Association for the produce that you have provided to us over the last two years. Your contribution has been felt in both our food bank and our community diner. Fresh produce is hard to come by for an organization such as ours, so it is a big deal when we get FRESH fruits and vegetables.

Thank you for the work you do in the community and the much needed assistance you provide us.

Sincerely,
