Dear Sirs,

On behalf of the West Island Assistance Fund we thank you for your donation of fresh vegetables.

We are grateful for your interest in our work. With donations such as yours, we can continue to offer assistance, help and support to families experiencing a crisis. Up to now we have helped hundreds of families and we can accomplish more.

In the name of all the people that we help, our volunteers, our employees and in my own name I thank you.

Sincerely,
